

# JOSHUA FRITZJUNKER

## NORTH AMERICAN ICT

### WORK EXPERIENCE

#### North American ICT (MES Systems)

CNH Industrial- USA

2021 - Present

ICT Project Manager specializing in MES Systems within the NAFTA region, I have been responsible for overseeing the planning, implementation, and management of MES projects across multiple manufacturing plants.

#### Business Analyst

CNH Industrial- USA

2018 - 2021

My primary responsibility was to understand, analyze, and document business requirements, and to collaborate with stakeholders and development teams to deliver solutions that improve business performance and efficiency.

#### Software Developer

CNH Industrial- USA

2012 - 2018

I was responsible for designing, developing, and maintaining software solutions that optimize production processes and improve operational efficiency.
